ASSEMBLY ADVICE

Please take the time to carefully read through these instructions before you commence.

Keep these instructions for future reference.

We advise that the product is assembled in the room it is intended for.

We advise that you keep the hardware in a bowl during assembly to avoid losing anything.

We strongly recommend that you keep children away from the work area.

Small component parts could choke a child if swallowed.

We recommend you use a sheet or blanket to protect both floor and product through the assembly stages.

This product is heavy, and we recommend a 2 person lift to avoid personal injury or damage to the product.

Never push or pull the product as this could cause both personal injury or irreparable damage to product or floor.

We have tried to make this piece of furniture easy to assemble if the instructions are followed carefully.

In the unlikely event that you have problems with assembling the product or have missing or damaged parts, please contact your retailer and we will assist them in rectifying the problem as quickly as possible.

Please remember we strongly urge you DO NOT use power tools such as drill or electric screwdrivers as this could cause irreparable damage to your product and will invalidate your warranty.
