

ASSEMBLY INSTRUCTIONS

Car Bed

Approximate Assembly Time

People Required to Assemble

Tools Required

Before you start...

Please carefully unpack and lay out all of the component parts to ensure nothing is missing and to check each component for any obvious damage.

Should you identify any concerns at this stage please contact the retailer from whom this product was purchased. Please quote your order number, details of your issue, the product code, and the batch number from the cartons which will help to resolve your issue as quickly as possible.

Version Number - 1.0

Product Code - STO 001

Contact Retailer

Please check all hardware matches the list below. Should you notice any are missing please contact your retailer.

We strongly advise that you do not use Power Tools, such as drills or electric screwdrivers during the assembly as this may cause irreparable damage and will invalidate your warranty.

PARTS

Please ensure you carefully check all the pieces, should you have any concerns please contact the retailer before assembly commences. Please have your order number, details of the issue, the product code, and the batch number from the cartons as this will help us to resolve your issue much faster.

Safety Advice

Please take the time to carefully read through the whole of these instructions before you commence.

Keep these instructions for future reference.

Unpack, inspect and check off all of the contents.

Please dispose of all packaging safely.

We strongly recommend that you keep children well away from the work area.

It would be sensible to lay a sheet or blanket on the floor where you intend to work to avoid scratching this product and to protect your floor.

This product is heavy. Take extreme care when lifting to avoid personal injury or damage to the product.

Assemble the product as close to its intended final position in the room as possible.

We strongly urge that you do not use Power Tools, such as drills or electric screwdrivers during this assembly as this could cause irreparable damage to you product and will invalidate the warranty.

IMPORTANT INFORMATION

WARNING : This bed is not suitable for children under 4 years.

WARNING : Do not place this child's bed near heat source, windows and other furniture.

WARNING : Do not use this child's bed if any part is broken, torn or missing.

WARNING : Small component parts could choke a child if swallowed.

It is recommended that you always follow the manufacturer's instructions to assemble this product.

This product is intended for use by children over 4 years of age.

Children are likely to play, bounce, jump and climb on beds, therefore the child's bed should not be placed too close to other furniture or windows, blind cords, curtain pulls or other strings or cords and should be placed either tight to the wall or have a gap of 300mm between the wall and side of bed.

This bed must not be dismantled.

Replacement parts can be obtained where available and at an additional cost.

Recommended Mattress Size: 90cm x 190 cm (UK Single) with a depth of no more than 23cm.

It is necessary to frequently ventilate the room in order to keep the humidity low and to prevent mould in and around the bed.

Please periodically check all the fixings of the item and re-tighten when necessary.

This item conforms to British Safety Standards - BS8509:2008-A1:2011.

HANDY HINT: If you keep the hardware in a bowl during assembly you will be less likely to lose them.

ASSEMBLY ADVICE

Please take the time to carefully read through these instructions before you commence.

Keep these instructions for future reference.

We advise that the product is assembled in the room it is intended for.

We advise that you keep the hardware in a bowl during assembly to avoid losing anything.

We strongly recommend that you keep children away from the work area.

Small component parts could choke a child if swallowed.

We recommend you use a sheet or blanket to protect both floor and product through the assembly stages.

This product is heavy, and we recommend a 2 person lift to avoid personal injury or damage to the product.

Never push or pull the product as this could cause both personal injury or irreparable damage to product or floor.

We have tried to make this piece of furniture easy to assemble if the instructions are followed carefully.

In the unlikely event that you have problems with assembling the product or have missing or damaged parts, please contact your retailer and we will assist them in rectifying the problem as quickly as possible.

Please remember we strongly urge you **DO NOT** use power tools such as drill or electric screwdrivers as this could cause irreparable damage to your product and will invalidate your warranty.

Diagram 1 illustrates the assembly of the main frame and backrest. A large rectangular panel (14) is shown being attached to a curved backrest panel (6) and a side panel (7). Screws (B) are used to secure the backrest. A warning icon shows a power drill with a red X over it, indicating not to use power tools. A note states: "WHEN FITTING CAMS ENSURE STARTING POSITION IS CORRECT BEFORE YOU INSERT CONNECTING BOLT TURN CLOCKWISE UNTIL SECURE". A table shows three cam symbols: a cross, a circle with a cross, and a circle with a cross and a dot. A note says "D 5x".
